FE DOCKET NO. 06-129-LNG

ORDER GRANTING BLANKET AUTHORIZATION
TO IMPORT LIQUEFIED NATURAL GAS
FROM VARIOUS INTERNATIONAL SOURCES

DOE/FE ORDER NO. 2305

DECEMBER 1, 2006

I. DESCRIPTION OF REQUEST

On November 3, 2006, Gazprom Marketing & Trading USA, Inc. (GM&TUSA) filed an application with the Office of Fossil Energy of the Department of Energy (DOE), under section 3 of the Natural Gas Act (NGA),^{1/} for blanket authorization to import liquefied natural gas (LNG), in a total amount up to the equivalent of 200 billion cubic feet of natural gas, from various international sources. The applicant requests authorization for a two-year term beginning on December 1, 2006. GM&TUSA is a Delaware corporation with its principal place of business in Houston, Texas.

II. FINDING

The application has been evaluated to determine if the proposed import arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import and export of natural gas from and to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas and the import of LNG are deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by GM&TUSA to import LNG from various international sources meets the section 3(c) criterion and, therefore, is consistent with the public interest. This Order authorizes transactions with terms of no longer than two years.

^{1/} 15 U.S.C. § 717b. This authority is delegated to the Assistant Secretary for Fossil Energy pursuant to Redesignation Order No. 00-002.04B (September 23, 2005).
