RECEIVED

OCT 27 2006

DOE/OFE/MGR

KEYSPAN GAS EAST CORPORATION

FE DOCKET NO. 04-122-NG

ORDER VACATING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS
FROM AND TO CANADA

DOE/FE ORDER NO. 2053-A

On December 9, 2004, the Office of Fossil Energy (FE) of the Department of Energy (DOE) granted blanket authorization to KeySpan Gas East Corporation (KeySpan Gas East) in DOE/FE Order No. 2053 (Order 2053) (2 FE ¶71,055) to import and export up to a combined total of 25 billion cubic feet (Bcf) of natural gas from and to Canada over a two-year term beginning on December 10, 2004, and extending through December 9, 2006.

On October 10, 2006, DOE was notified that KeySpan Gas East is applying for a new authorization increasing the volume amount of natural gas requested in its current authorization. Since the new authorization will supersede the current authorization, KeySpan Gas East has requested that DOE vacate Order 2053.

Accordingly, pursuant to section 3 of the Natural Gas Act, Order 2053, authorizing the import and export of natural gas from and to Canada, is hereby vacated.

Issued in Washington, D.C., on October 27, 2006.

R. F. Corbin

Manager, Natural Gas Regulatory Activities
